Testimonial

“Dave’s class has given me the opportunity to understand what Scrum/Agile is all about although I am new to this method! His experience, real life examples and dedication have help me passed my exam on my first attempt! Thanks Dave.”

Jason Kong, PMP®, CSM
 Project Manager
 Logica Malaysia

“Dave is a true professional and uses very succinct and creative techniques to immerse even the most staid PMBOK-aligned project manager into the exciting world of SCRUM.”

Petra Goltz, PMP® CSM
 Past Chair
 PMI IT & Telecom SIG

“Dave challenges us to think in more creative ways in making effective use of all tools to better manage projects. He skillfully engaged the participants and made the workshop a fun learning experience. I would highly recommend everyone to attend any one of his workshop.”

EeLeen Tan, PMP®, CSM
 Offshore Project Manager
 HCL Axon www.hcl.in

“The SCRUM Master training was an eye-opener. Coming from a traditional waterfall methodology environment, it would address some of the inherent risks in building software and derive better commitment and participation from all the team members.”

Lee Chee Keong, CSM
 Technical Director
